SUBJECT: DEMARCHE DELIVERED: LEBANON SECURITY COUNCIL
RESOLUTION

REF: STATE 128442

[¶1](#). Poloff delivered reftel demarche to Foreign Ministry North American Affairs Director Harry Purwanto on August 7. We explained the draft resolution was consistent with the U.S. requirement for a sustainable ceasefire and stressed U.S. goal was a cessation of hostilities by no later than August [¶8](#). We left a copy of reftel points and the draft resolution with Purwanto for reference.

[¶2](#). Purwanto said he would convey the U.S. request to the MFA's bureau of multilateral affairs for consideration. Purwanto noted that Indonesia had announced its support of the UN process in the framework of "five steps" enunciated by the Indonesian President Yudhoyono on July 18, 2006. The five steps remained the basis for Indonesia's policy on Lebanon in the current crisis. (Note: The five are: achievement of a ceasefire soon; formation of a peacekeeping force under the auspices of the United Nations; provision of humanitarian relief; reconstruction and rehabilitation of Lebanon; and negotiations toward a just, comprehensive and peaceful resolution of the Middle East conflict.)

[¶3](#). Purwanto also stressed Indonesia would be looking closely for Lebanon's reaction to the proposal.
